About DoMazing - Founded July 2018 in Las Vegas, NV by Latisha Morgan and Kelly Gafford. These young ladies found a way to turn a “guilty pleasure” into an edible homebased business. They started small by showcasing the edible cookie dough’s 8 Signature Flavors at family gatherings, small parties and events. It didn’t take long for the word to travel and DoMazing instantly became everyone’s guilty pleasure. The Las Vegas community started calling as well and DoMazing became a staple at festivals and First Friday’s in the Art District!

With all of the tremendous support and love from the Vegas community, DoMazing went from homebased to store front in 11 months! DoMazing is truly a #VegasStrong business, locally made and supported! - Stay up to date on DoMazing happenings or to book an DoMazing event, call (725) 204-9873 or email hello@eatdomazing.com Follow us on Facebook, Twitter, and Instagram @domazinglv or visit www.eatdomazing.com
