Sayles Group is handling the event management, and execution, public and community relations, and business development. “We put together a dynamic team to assist our internal marketing team! Our first GFIVE Ultimate Karaoke event took place on Jan. 31<sup>st</sup> at Classic Jewel. Over 350 attendees, yes, over 350 people financially impacted a well-deserving local, family-owned downtown establishment. The beautiful thing about all of this, our team and I kept hearing from attendees that they were happy to be introduced to a new downtown lounge/bar to support! “This is what we are all about, businesses supporting one another,” says Larry Smith, owner of GFive Cultivation.

The main karaoke event, on Apr. 20<sup>th</sup>, will feature all 12 finalists competing for the grand prize, CASH MONEY!
